Muzrai Department.

Sir,

Referring to Government order No: 40 (Muzrai) dated 12th July 1895 declining to sanction an exchange applied for by Mr. B. Gopaliengar of the Amrat Mahal Department, between Survey No: 95 measuring A. G. 3- 31 assessed at Rs 3-8-0 belonging to Veerabhadra Swamie temple at Tumkúr, and a similar extent in Mr. Gopaliengar's holding attached to the village of Antarasanahalli, I have the honor to forward herewith for the orders of Government Copy of Mr. Gopaliengar's letter dated the 27th ultimo soliciting a reconsideration of the order of 12th July under reference

2/

and to state as follows -

2 The temple inam land was originally K. 0. K. 10 P. 4½ (dry measurement) in extent. In 1857-58, portions thereof aggregating K. 0 K. 7 P. 18, were taken up for the mission house and the Travellers' Bungalow and other land was ordered to be selected and given to the temple. No such selection seems to have been made and the result was that the inam land in the enjoyment of the temple was reduced to K. 0. K. 2 P. 7. At the survey, the land was measured as survey No 95, the extent being A. 3 Gy. 31. Out of this again, A. 1 Gy. 30 were taken up for a road to the Railway Station in 1885, leaving an area of only A. 3 - 1 Gy in the possession of the temple. A compensation of Rs 30 was paid to the temple for these A. 1 - 30 Gy. And the amount is kept in the Savings Bank to the credit of the temple.

equal to 1 G 89 yds 31 109

Mr B. Gopaliengar having purchased the Government assessed lands adjoining the temple inam above referred to, proposed to build a Bungalow thereon, and offered to give the temple 3- 31 of land in lieu of the inam, out of his holding survey No: 96 in the village of Antarasanahalli. In fact, Mr. B. Gopaliengar Commenced the building apparently in the expectation that his proposal would be sanctioned. An extract from the village map shewing the temple inam land Nos- is herewith submitted from which it will be seen that the buildings erected by Mr- Gopaliengar are all situated on the inam number in question. Mr. Gopaliengar should not have anticipated Government sanction to his proposal, but as a matter of fact, he has done so and the buildings are now approaching completion. If the proposed exchange be not sanctioned, Mr Gopaliengar will

have to dismantle the buildings he has already constructed at considerable cost.

3. Under such circumstances I venture to submit the matter for the reconsideration of Government. Having regard to the fact that on more than 3/4 ths of the original extent of inam have been already appropriated for building purposes, and the proximity of what has been left to the Railway Station and the houses adjoining, which renders it difficult to carry on cultivation therein, I am of opinion that in the interests of the temple, the offer of Mr. Gopalierigar to give to the temple A. G. 3. 31 of land out of his survey No. 96 in Antarasanahalli in exchange for the inam land on which he has unauthorizedly erected his Bungalow may be accepted, on the understanding that he bears the L.C. assessment of Rupees

3-8-" on the inam. The land to be given by Mr Gopalacungar will be registered as inam in the name of the temple subject to the payment of a quit-rent of Rupees "-13-".

To. The Deputy Commissioner
Trincomalee District.

Sir,

With reference to your Circ: No. 124 dated 20th. July 1895. I beg to state that as regs belonging to Veera-bhadra temple was lying fallow owing to its proximity to Traveller's Bungalow and other buildings I had secured the cultivators right under ground rent permanent tenure- The Poojaries afterwards insisted to have a better land which I purchased and gave to them to be cultivated in the interests of the temple - The new land has been cultivated by them to advantage and it has enabled the Poojaries to perform the duties of the temple regularly and satisfactorily. The Poojaries have given statements to that effect before the Deputy Commissioner and you may find them in

your office - I had secured other
lands beyond No. 95 and unless I
had the latter I could not get into
them - being conveniently situated
between the Traveller's Bungalow
and other buildings and in front
of the Mission work Shops (the land
on which it is situated forming
part of No. 95 and having been
separated previously) I thought I
would also get permission to the
Exchange and commenced building
my house on it - The building is
almost completed as you may
see, and it will be a very great
hardship if I am directed to dis-
-mantle the same - Under these
circumstances and in the interests
of the Temple also, I beg you will
kindly back the Exchange and
obtain the sanction of the Govern-
-ment to the measure - The Extension
of Trincomalee Town to as near the

Traveller's Bungalow and Railway
Station as possible is, I believe, /
under contemplation and I have
taken the lead which step I
hope you and Government will
be pleased to view favorably —

Sir, Adverting to correspondence ending with Government Proceedings No: 760-1 Misc: 23-95 dated 27th January 1896, sanctioning the levy of a rent of Rupees 15 per annum from Mr. B. Gopalaiengar for the occupation, as Kadim Tenant, of Inam Survey No: 95 of Tumkur, on which he has built a Bungalow, and which belongs to the Veerabhadra Swami temple at Tumkur, I have the honor to submit herewith a plan of the Survey Number in question from which

which it will be seen that
out of 3 - 31 acre 9 comprising the
number, only the portion marked
A measuring 2 - 14 a assessed
at Rupees 2 - 14 - 0 is under the
occupation of Mrs. B. Gopalingam
the rental of Rupees 15/- was
proposed on the assumption
that the whole number
came under his occupancy, but
as it has been since brought
to notice that the portion
marked D measuring 21 Lundas
had been acquired for the
Railway Station Road on
payment of compensation and
as it is desirable to exclude
from Mrs. B. Gopalingam's
occupancy the pieces marked B
and C measuring 21 Lundas
which are detached from the
gentleman's Bungalow by a

public road, I am of opinion that the rent to be recovered from him should be fixed with reference to the area of land viz 2-14 actually leased to him - Under such circumstances, I would recommend that the rent be reduced to Rupees 12 (twelve) per annum, which will be equal to a ground rent of one Rupee per month.

The Jodi payable on the whole number is annas per annum. It is a question whether this Jodi should not be reduced with reference to the area (1 acre 17 Gunthas) which has been appropriated for it or even more than proportionate. I solicit your orders on this point.
